our extra services for years!**

WE OFFER HOME DELIVERY AND CURBSIDE PICKUP

We've always offered in-town delivery for a flat \$15 fee, no matter how large or small the order. Or if you prefer, we'll shop your order and bring it out to your car for a \$5 fee.

Call the Al's nearest you to find out more;
orders can be placed by phone, fax or email.

Age ID is required for all beer and wine purchases.

Some restrictions on merchandise may apply.
Standard delivery range is within 3 miles of the store.

IN LAPORTE: 702 E. Lincolnway 362-8513

IN MICHIGAN CITY: 3535 S. Franklin St. 872-9169 Karwick Plaza 879-4671

Check Cashing Policy

We only extend payroll check cashing privileges to customers who regularly shop at our stores. Therefore, we require that all payroll checks be accompanied by your Value Plus card and a valid drivers license or state identification card. No activity or extremely low activity on your Value Plus card may disqualify you from cashing your payroll check at Al's.

If you do not have a Value Plus card, please apply for one at any courtesy counter. It will take approximately thirty days to build up a purchase history, which will enable you to qualify for payroll check cashing privileges. In the meantime, you can immediately take advantage of the great savings available on your grocery purchases when presenting your card at the checkout lane.

If you already have a card, please make sure you present it to the cashier whenever you shop so that you not only qualify for payroll check cashing privileges, but any special promotions Al's Supermarkets may be running.

- Our rate for cashing payroll checks is \$3.00 per check.
- Personal checks cashed at the courtesy booth are limited to \$50.00.
- Checks cashed at the checkout counter are limited to \$50.00 over the amount of purchase.
- Low numbered checks (under 300) and starter checks are not accepted.
- Payroll checks up to \$500.00 will only be cashed for customers who regularly shop the store, and have a Value Plus card (only payroll checks issued by local area companies accepted).

Please present your Value Plus Card, current and valid driver's license or a state identification card when cashing a payroll check. A home or work phone number will also have to be provided. We are sorry for the inconvenience, but we cannot cash a payroll or personal check at the courtesy booth if your state identification card has been issued within the last thirty days.

Returned check fees of \$27.00 plus applicable bank fees will be charged for each returned check.

We Do Not Accept:

- Two-party personal or payroll checks
- Handwritten payroll checks
- Money orders
- Income tax refund checks
- Insurance checks
- Starter checks
